DO YOU LOVE ANIMALS? THEN, DON'T THROW THIS MAILING AWAY!

## New For This Year... GLOWBALL!

What better way to end a day of golfing than a *night* of golfing? To accommodate more players, this year's tournament will be followed by a 9 hole glowball round - a first for the Orchards. For only \$75, enjoy dinner, live entertainment, raffle prizes, player gifts, LED golf balls and a glowing course! (Please note that glowball round does not include carts!)

### The Dakin Community Spay/Neuter Clinic:

If there is one single action that we as a community can take to end the needless death of adoptable homeless animals, it is providing affordable, accessible spay and neuter surgery. With special programs aimed at helping those animals in our area most at risk of homelessness - feral cats, the cats of our low-income neighbors, and pit bull dogs - the Dakin Community Spay/Neuter Clinic is a life-saving force. To help make the clinic and its services more accessible to those who need assistance the most, the proceeds from this year's tournament will go toward the purchase of a new Econline van to be used exclusively by the clinic to reach out and transport animals from Franklin, Hampshire and Hampden counties. It is your generosity that makes this work possible and inspires us to continue your efforts on behalf of people and animals.
